

## Student Place Holding Policy – Fee – 2021

St John's College understands that some families choose to travel or need to travel for work or other reasons for extended periods during a school year. While we strongly encourage families to arrange holidays and trips during the designated school holiday periods, this is not always possible or practical for all families.

In these situations where a parent or caregiver wishes to keep their students position in the College available for their return, certain costs will be charged. The amount charged will cover the cost of budgeted expenses incurred by the College during the student/s absence.

The fees to hold a student's place for the duration of the absence will be charged pro-rata.

- School Fee – 100% discount
- Capital Levy portion – 100% discount
- P & F – full charge
- General Purpose – full charge
- Resource & Activity – full charge

E.g. of holding fee for one term in 2021:
