What to do when your child is . . .

Absent from College

Student Absentee Direct Line is 5444 9299. Please phone this number and leave your child's name and their Pastoral Care teacher's name (if known). Parents are asked to inform the office of the reason for absence by phone or online via the parent portal.

Late to College

Your son or daughter must report to the student counter at the office on their arrival at College and enter details into the computer system. If your child does not bring an explanatory note, they will have a unexplained absence recorded, until the parents notifies via phone or diary note.

Leaving College Early

Provide a signed and dated note requesting permission for your son or daughter to leave at a specific time. Students need to report to the student counter at the office before they leave and enter details into the computer system. Your child must be collected from the office.

Out of Uniform

If your child is not wearing the full and correct uniform, write a note in their Student Diary. This note is to be shown to the PC teacher during morning PC. All items of uniform must be clearly labelled with your child's name. Items of uniform that are lost, torn or damaged should be replaced within a reasonable time.

Carrying Valuables

Have your son or daughter hand any valuable items or large sums of money to the office for safekeeping during the day.

Each student will be allocated a locker and provided with a combination lock. Textbooks, mobile phone, lunches and valuables should be kept in these lockers.

Students are asked not to bring surfboards, skateboards, MP3 players, speakers or iPods to College, unless special permission has been obtained.

Mobile Phones

Mobile phones are to be used only for emergencies and should be kept turned off and in the student's locker throughout the day. They are not to be carried or taken to class unless instructed by their teacher. Students are allowed to check their phones for important messages whilst at their locker during first and second break. Mobile phones being used incorrectly are confiscated and kept at the office until 2.45pm. Students who consistently misuse their mobile phone will have to submit it to the office at 8.30am and collect it at 2.45pm for a designated time as set by the Pastoral Middle Leader. No responsibility will be taken for damage or loss of mobile phones.

Unable to Participate in a Sporting Activity, Sports Carnival or HPE Class

Provide a note in your child's Student Diary.

Feeling Ill

Parents will be contacted in the case of an accident or emergency. As students cannot stay in sickbay for an extended period of time, parents will be contacted if a student has been unwell for a prolonged period.

Other Issues

Text Hire

Student texts are supplied under our Text Hire Scheme. We believe that this is a cost saver for parents and ensures that all students have the required up-to-date textbooks.

Lost or damaged books must be replaced, so it is essential that all students care for the textbooks that they receive.

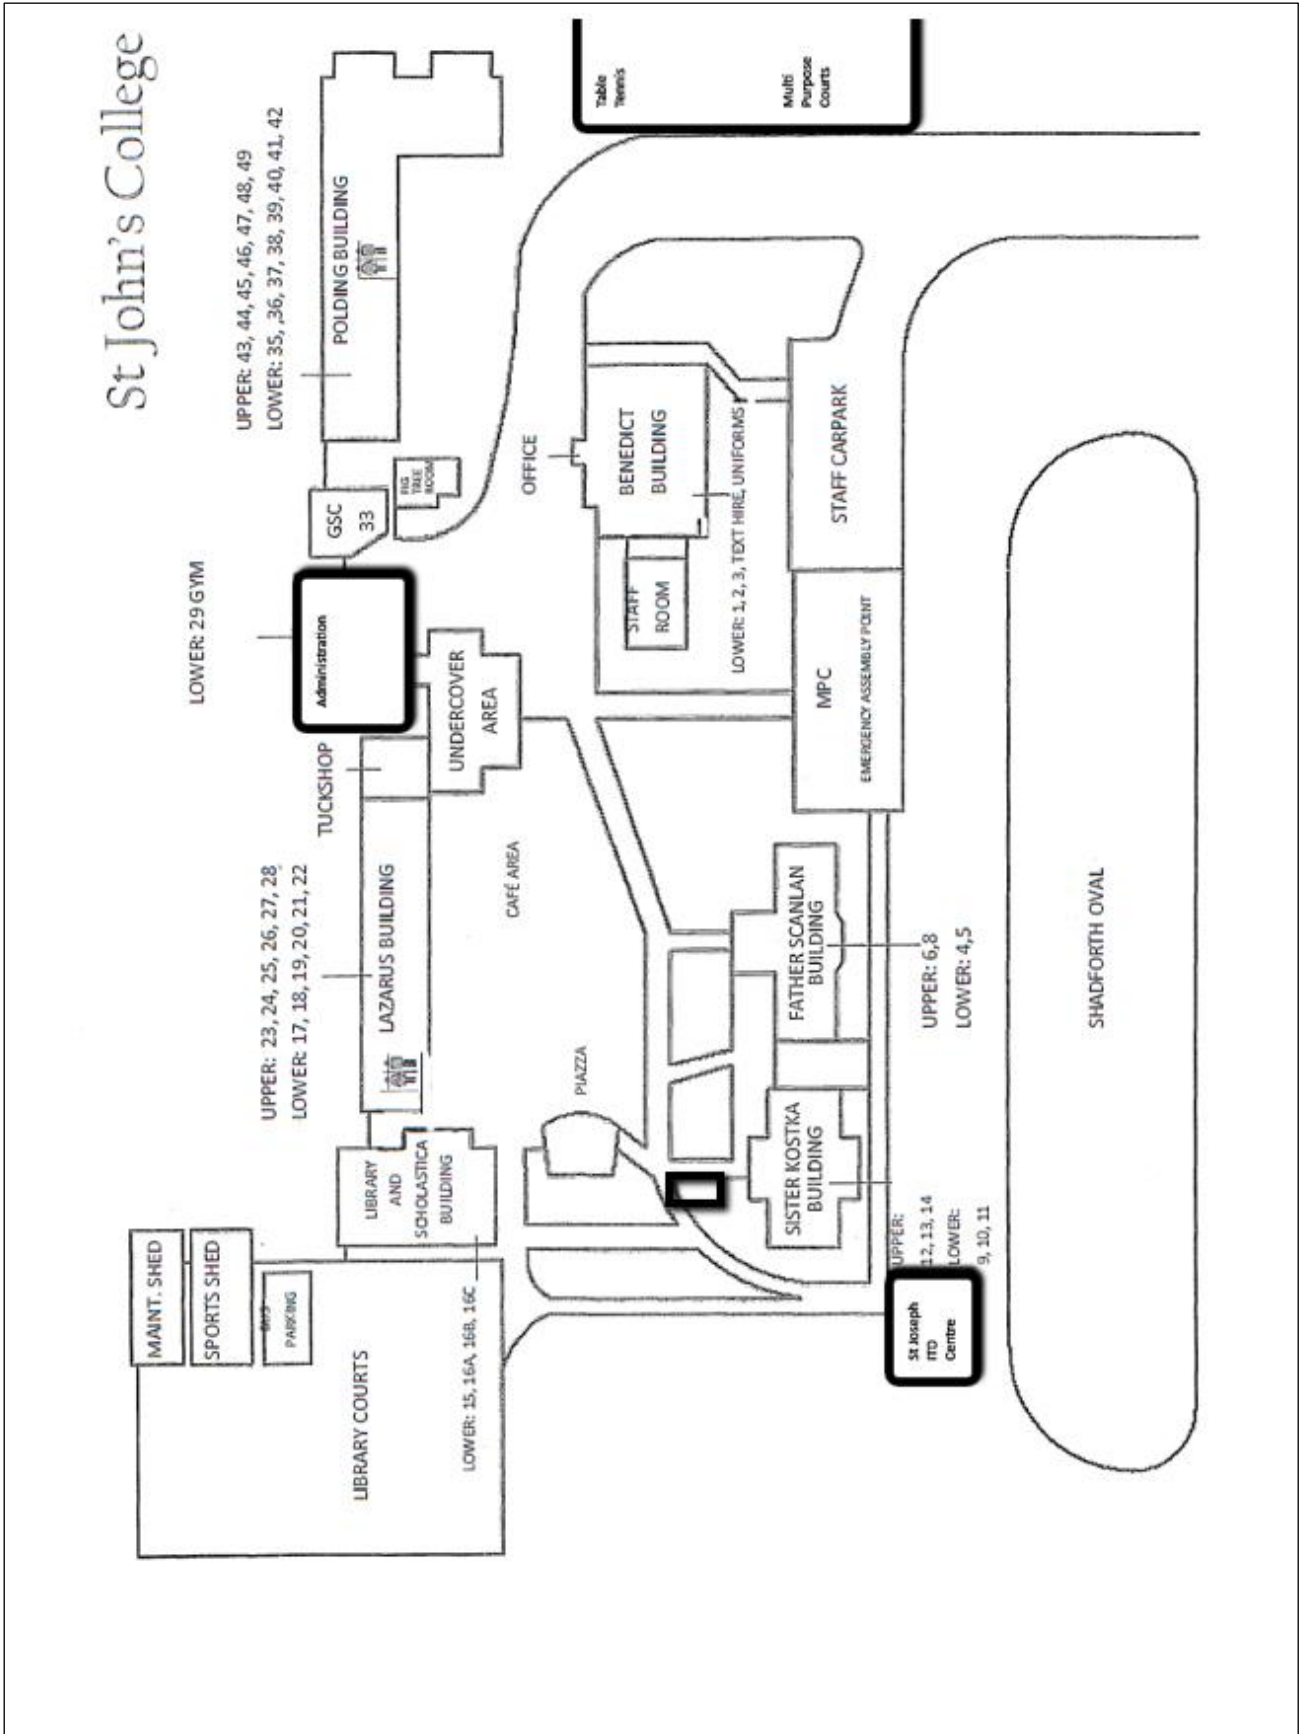

Picking-Up and Dropping-Off Students

Parents dropping-off or picking-up students should do so in Perwillowen Rd, not in the College car park. Please ensure that you do not occupy a bus zone or block the entrance to the College when stopping. It is also not safe to drop students off in the service entry to the College in Dandenong Street.

Parents cannot drive in or out of the College grounds between 8.00am and 8.30am nor between 2.45pm and 3.00pm, because of the congestion caused by students, buses and cars.

Please note that the section of Perwillowen Road outside the College has been designated as a School 40km/hour Zone in the morning and afternoon.

The St John's College Tuckshop is managed by Sharon Brady who oversees the day to day operations. Each day, students of St John's are supplied with a wide range of healthy and nutritious food for breakfast, morning tea, lunch and afternoon tea, all made on site by Sharon, her staff and the very willing and friendly volunteers who help out every day. The menu is healthy, diverse, well-priced and very popular amongst students and staff. Students can also pre-order to avoid the long queues at lunch time.

Bus Fare Assistance

There are two types of bus fare assistance available to families:

1. Discounted Weekly Fares – administered directly through each bus company/Queensland Transport

2. Lump Sum Rebate – administered by the Queensland Catholic Education Commission.

3.

You may be eligible for either one or both of these forms of assistance depending on where you live, distance travelled to College and the weekly cost incurred per family.

1. Discounted Weekly Fares - Queensland Transport

This scheme takes into consideration where you live, your distance from the nearest state high school and your distance from the nearest Catholic high school. Depending on these distances, you may be eligible for a reduced price on weekly bus tickets.

When you contact the bus companies they will be able to calculate your reduction.

All students who have changed College or changed address will need to complete a new application form. Application forms can be collected from bus drivers or from the Bus Company the student will be traveling on. Please contact Queensland Transport at the Mooloolaba Office for any eligibility questions.

Queensland Transport
PO Box 111
Mooloolaba Q 4557
Phone: 5452 1800

2. Non-Government College Bus Fares Assistance Program Rebate and Students with Disabilities Transport Program Rebate - QCEC (Queensland Catholic Education Commission)

This scheme is available to all families who have children attending non-government Colleges. Eligible applicants will receive a rebate for any bus they have paid in excess of the weekly threshold. The weekly threshold is a per family threshold, not a per student threshold. The weekly threshold is determined on a semester by semester basis and depends on the government funds available for distribution to eligible applications as well as the amount of money spent on fares during the semester by all eligible applications. QCEC Bus Fare Assistance Program

May (for travel January to June) / **October** (for travel July to December)

Applications for this scheme can only be applied for online at SchoolTransport.com.au in **May** (for travel January to June) / **October** (for travel July to December). Details of when the application forms are available will be published in the College newsletter.

7. Fee Information

School Fees

Dear parents and caregivers

Welcome to the 2020 school year at St John's College. Following this letter is the Fee Collection and Payment Policy for 2019 as well as other relevant information. Fees for 2020 are still being calculated, to ensure the best possible value for money for parents & caregivers. Fee flyers and payment options will be emailed home as soon as they are available.

Fees are generated once each term and mailed home to families. We will continue with delivery via email of paperless invoice. Fees are broken up into School Fees, Capital Fee, P & F Fee, General Purpose Fee and Resource and Activity Fee. An explanation of each is stated on the Fee Information flyer.

As in previous years the College will continue to charge a single Resource & Activity Fee for each student based on year level. This is a set rate that is invoiced to families per term and encompasses all subject levies, excursions, camps and other curriculum based activities that your child will participate in throughout the year.

St John's College will continue to keep fee increases to a minimum. We will continue to only charge the fees and capital fees recommended by Brisbane Catholic Education.

In 2020 we will again offer a discount if you have a child in another Catholic school. This initiative benefits parents and the general community by helping with their decision of choosing a Catholic school pathway for their children from pre-school to Year 12.

If you are experiencing any difficulties at all regarding the understanding your fees or payment please do not hesitate to contact the College office on 54415666. **Please remember communication is the key.**

We look forward to working alongside you and your family during 2020.

Kind Regards

Kim Harrison
Business Manager

Fee Collection and Payment Policy

Fees and Levies collected at St John's College are used for the following purposes which are aligned to the Vision and Mission of the College to:

- Provide teaching, administrative, classroom support and facilities
- Provide essential resources, materials, facilities and equipment
- Assist with providing activities such as excursions
- Support the College building program
- Maintain buildings, grounds and other facilities

St John's College Parents and Friends Association also collects a levy through the school/college fee structure to support the initiatives of the parents and community within the college.

For those families experiencing short or long-term genuine inability to pay fees, we are committed to providing support to ensure that enrolment is not compromised. Please contact the Principal, Business Manager or member of the finance team for further information concerning the concession application process.

School Fee and Levy Collection Process

1. School fees and levies are charged on a **term** basis and sent out just prior to start of term, in accordance with the School Fees and Levies Schedule (available on our website).
2. Fees are due to be paid within 14 days of the issue of the Statement of Fees and Levies. The due date will be noted on the statement.
3. Where a parent/guardian believes financial circumstances have arisen that will prevent or delay the payment of the school fee account, a variety of options are available:
 - a. *Extension of Time*
If an extension is required, please contact the school finance office prior to the due date.
 - b. *Payment Plan*
Payment of the school fee and levy account by regular instalments. All payment plans must ensure that the account is cleared by the last day of the school year or as negotiated with the Principal and / or Business Manager.
 - c. *Fee Concessions*
In cases of financial hardship an application may be made for a fee concession.
 - (i) Concession applications are accepted at the commencement of each year or at any point initiated by the family. Concessions are issued for a maximum period of 12 months within a calendar year. Consideration for a subsequent 12-month period will require a new application.
 - (ii) A compassionate and just approach under the mission and values of Brisbane Catholic Education and St John's College is used when reviewing applications. The same process is adopted by all Brisbane Catholic Education colleges for assessing eligibility.
 - (iii) Concession application forms are available at the school finance office.
 - (iv) All matters are dealt with on a confidential basis.

4. *Recovery of unpaid fees*

In fairness to families who pay their school fees regularly and on time, college will follow up all overdue school fee accounts.

- a. A reminder statement/notice/letter will be issued within 7 days to any family who has not settled their school fee account by the due date where a payment plan or other arrangements are not in place.
- b. If payment or a suitable response is not received within 7 days of the reminder statement, contact with the parent will be made via telephone, mail or email.
- c. If after two weeks from this second reminder satisfactory arrangements have not been reached, the account may be sent to the college Debt Collection agency. In serious cases, where there is clear capacity to pay outstanding fees, legal options may be pursued by the college.
- d. Legal costs, direct debit rejection fees and any debt collection costs or other costs incurred will be at the family's expense.

Agreed Payment Plans

As mentioned in point 3b above, our college offers families the opportunity of paying the school fee account by regular instalments over the course of the year. All Agreed Payment Plans must be organised to include a regular schedule that will clear the school fees account by the last day of the school year. Any extensions to an Agreed Payment Plan must be negotiated with the Principal and/or Business Manager. To establish an Agreed Payment Plan, forms are available on the college website, Parent Portal or from the college finance office.

Late Start Enrolment

New students entering St John's College after the commencement of the term may be charged on a pro-rata basis for the remaining weeks of the term where appropriate at the Principal's and/or College Business Manager's discretion.

Withdrawal of Enrolment

Fees will be payable for the whole term in which the enrolment is terminated. For a reduction in fees a written request must be made to the Principal at the time of notification and may be granted at the Principal's discretion.

Student text books, library books and laptops and all accessories are to be returned to the School. If any fees remain outstanding, they will be payable as per the normal payment terms and where appropriate, any fees in credit will be refunded.

Extended Leave/Holding an enrolment place

Fees will be payable for the whole term in which extended leave is taken. For a reduction in fees a written request must be made to the Principal at the time of notification and may be granted at the Principal's discretion. Consideration will be given to the length of the break, the nature of the leave, the time the student has been at the college, the number of previous leave occurrences, and the existence of student waiting lists. **For further clarification regarding the above school fee and levy collection process, please contact the college finance office.**

8. Acceptable Use of Computer and Internet Resources

Computer and Internet resources have become of critical importance to schools in facilitating and supporting learning and teaching. **Technology resources are provided to students for educational purposes.**

St John's College have established policies and procedures regarding laptop use. The document, "Student Laptop Computer Program Policy & Guidelines" has been developed to inform users of their rights, responsibilities and obligations when using Computer and Internet resources, consistent with Brisbane Catholic Education's requirements that all such resources are used in an ethical, legal and responsible manner.

The requirements and rules set out below apply to all St John's College technology resources whether they are accessed through computers owned by the school or through privately owned devices (for example, accessing school internet through a personal notebook or mobile phone).

Please read this document carefully. Each student and his/her Parent/Legal Guardian must sign the acknowledgment to confirm that they understand the requirements of acceptable use and the potential consequences of a breach of this policy.

Responsibilities of Users

1. Students must comply with the rules for accessing technology resources in this document.

Permitted use of technology resources

2. Students must only access St John's College technology resources for schoolwork.

Students must not:

Confidentiality and Cybersafety

3. Students should be aware that material they post on Internet sites (including Facebook and other social media sites) is **public**. The content of posts also reflects on our educational institution and community as a whole. Once information is on the internet it may not be possible to remove it.
4. Students should not display personal information about themselves or others in a way which is public. For example, students should not post their own or anyone else's address, telephone number or other personal details on the Internet or communicate these details in emails. Students should not distribute someone else's personal information without their permission.
5. Where disclosure of personal information is made through authorised avenues (e.g. by the use of email or an official website), users should be aware that invasions of privacy may sometimes occur and it is outside St John's College control to prevent such instances from occurring.
6. Students should be aware that persons on the Internet might not be who they say they are. Students must not arrange to meet persons who they have met on the Internet.

7. The operation and maintenance of technology resources often requires the backup and caching of data, the logging of activity and the monitoring of general usage patterns and as such, complete confidentiality and privacy cannot be guaranteed. St John's College may also be required to inspect or provide copies of electronic communications where required to by law, or where the investigation of possible misuses of technology resources is required.
8. 'Cloud' based tools and services may be used for data storage and learning opportunities. We are aware that these services may store data on servers located outside Australia.

9. Students must not use email or the Internet to say malicious or discriminatory things about other people or send threatening, harassing or offensive messages. Improper use of technology resources could amount to defamation.

Security

10. Students must perform a virus check on all attachments received by email and on all storage devices (e.g. USB, Discs, music devices, etc.) before opening. Students must ask for assistance if they are unsure as to how to perform a virus check or the virus check identifies a problem with the attachment/disk.
11. Students must select a secure password and keep their username and password information private. The password should be changed regularly and should be difficult for other people to guess. Students must log off at the end of their computer session.
12. Students must not use another person's name and password to access resources.
13. Students must report a suspected breach of security to a teacher.

Copyright

14. Just because something is on the Internet it is not freely available - copying or downloading material from the Internet may be a breach of copyright or other intellectual property rights. Students must not use St John's College technology resources to copy, download, store or transmit any such material that may include music files, movies, videos or any other form of media.

Consequences following a breach of this policy

15. A breach of this policy will be taken seriously and may result in disciplinary action.
16. Any known breaches of these Acceptable Use conditions must be reported by St John's College to Brisbane Catholic Education's Legal Counsel and/or Chief Information Officer.
17. Examples of possible consequences range from loss or restriction of access to technology resources, to formal disciplinary action for breach of the School Discipline policy. Students and Parents/Legal Guardians may be financially liable for damage caused to resources.
18. Cases of serious, deliberate, and/or criminal breach will be referred to external authorities and may result in civil or criminal proceedings.

Parental support

19. Support of parents regarding student technology use is available through the College. To further support parents and care-givers to understand safe and responsible use of digital technologies and the strategies that can be implemented at home, we recommend the following resources:

The uniform shop has further information on acceptable styles. Sports shoes should be supportive sports shoes eg. NO DUNLOP VOLLEYS, CONVERSE OR SIMILAR – any colour joggers or trainers may be worn.

Hats

College hats (formal and sports) are a compulsory part of the uniform. Hats should be worn, with the appropriate uniform, on excursions and when students are outside.

Ties

Ties are a compulsory part of the formal uniform for girls. Junior and senior ties should be worn with the blouse. Ties are an optional part of the formal uniform for boys in Terms 1 and 4 and a compulsory item to be worn in Terms 2 and 3. Boys wearing ties must have their top shirt button closed and ties drawn up.

Hair

Hair must be neat, brushed and regularly trimmed. Hair is to be tied back if shoulder length or longer. Boys must be clean-shaven. Hair must be worn in a conventional style and must be a natural colour. Students should seek advice from the school if they are considering a style that may not meet the guidelines.

Hair accessories

Boys – a black or brown band.

Jewellery & Make-up

The following jewellery is acceptable: a watch, a medic alert bracelet, a chain with an approved Christian symbol, ONE set of plain gold or silver sleepers or studs (girls only), one in each ear lobe. 'Keepers' designed to keep other piercings open are NOT acceptable. No other piercings are acceptable. Make-up and coloured or fake nails are NOT to be worn.

Uniform Notes

When the full uniform cannot be worn, parents are asked to notify the College by writing a note in the Student Diary. Lost or damaged items of uniform need to be repaired and/or replaced within a reasonable period of time.

Uniform Detention

Consideration is given as to why a student is out of uniform and discretion is applied by the appropriate PC teacher or Pastoral Middle Leader. However, where a student has control over how they wear their uniform and it is done so incorrectly, action will be taken. This can take the form of a lunchtime detention when two occasions of uniform infringement has been logged in one week. Persistent incorrect wearing of the uniform will result in an afternoon detention.

10. Your First Day at St John's College
