Dear Parents, Friends and Carers,

Each week brings with it its own special flavour to our lives. Each moment, whether regarded positive or negative, brings its own learning to our lives. The ability of many to savour each and every moment is a special gift that we all need to tap into.

This week I have tried to do just that and I have learned a great deal more about myself and my responsibilities. I have learned about others, the way they think and I have learned some more about the way I think and decide. All this extra wisdom this week has come about with my interactions with others in a variety of settings and circumstances. The variety of happenings this week has caused me to pause and reflect on my capabilities, my methods, my thinking and how I act. I know it has been a worthwhile exercise for me and I wonder how often in the busy nature of life do we forget or put off reflection and a chance to practice mindfulness.

This week I have watched, coached and refereed rugby, attended an all - day meeting of secondary Principals covering topics from new Middle Leadership arrangements in our schools to funding issues, building issues, behaviour issues and enterprise agreements, I have witnessed some great teaching and learning, have had some wonderful conversations with students and staff and have interviewed some more great “Johnnies” prospective talent. On reflection it may come as no surprise that I consider myself to be one of the luckiest people on the planet.

I have the best job in the best and most rewarding profession; I relate with some of the most outstanding individuals and groups every day; and I tweet and email with amazing colleagues both here and overseas. I have taken a little from all these conversations, meetings and events and I hope that I can be as amazing as the people I relate with.

I must apologise for the delay with Dave Cuskelly’s questionnaire and I can guarantee that it will be circulated early next week. I urge you to participate if invited to participate in this process of Dave’s appraisal. It is significant to have as many of our community as possible involved in this process and we value the feedback.

The Gymnasium project is almost complete and we are arranging equipment as I write. This is going to be such a bonus for our sport and HPE classes. Our plans for the tuckshop and opening up of the school corridor have been assessed for costs and before submission to council we will have to teak the plans a little to fit into budget. Our BGA application to accompany and compliment the Year 7 building project has been submitted and we await a decision soon.

A great night was had by all at the Theatre Sports last Friday. A huge thank-you to Kathryn Kiernan-Molloy for her organisation and to all the participants and audience; a crowd around 300 were in attendance.

Please remember to keep the Golf day, May 26th at Noosa Springs Golf course in mind as another way of supporting the school and the netball. Maree Anning, Bec Barrett and helpers have done an amazing job organising a first rate function. I am looking forward to the day – “Fore…!!!!!” Who is up for the $10,000 Hole – in –one?

Mums, and Dads of course, try and make some time to attend the Mother’s Day Fashion Parade on May 8th at the school library. Please see notices in this newsletter.

The next P&F meeting is scheduled for May 7th, 6.30pm in the staff room. You are most welcome. Also next week is the Year 12 Outdoor Ed camp, more netball and rugby (rugby will be at Nambour) and heaven forbid, normal lessons. The advertised position of Business Manager closes on Saturday and I am looking forward to wading my way through some excellent applications. Please pray that our decision-making is all that it needs to be in this process.

ST JOHN’S COLLEGE
P&F Major Fundraiser
14th, 15th and 16th June 2013

St John’s College P&F have some exciting news and a wonderful opportunity to be involved in the Sunshine Coast community.

Over the past 5 years under the guidance of Nambour Rotary we have volunteered on the Sunshine Coast Show gates. This year we have been asked to take over this project (under Rotary guidance).

This is a fantastic opportunity to showcase our school and students and raise money for our school. We are seeking parents and students to assist with this big operation.

Over the three days we will need approximately 120 volunteers to work on the gates, take money, and hand out wrist bands. Volunteers are asked to commit to a shift of 2-4 hours on one of the three days between 6 am to 7 pm. Volunteers will be given a wrist band.

Please email tlangford@bne.catholic.edu.au or phone Tracey Langford on 5441 5666 or mobile 0417 071 168 to volunteer.

Mark on Your Calendar Year 12 Retreat

Year 12 Retreat occurs this year from **Wednesday 15th of May till Friday 17th**.

Students who work or have an apprenticeship day should ensure they are not required to work on these dates. The Year 12 Retreat is an integral part of our St John’s experience and students have fond memories of the event.

Often as our students make their final descent down the hill on the last day of being a “Johnnies”, parents and teachers marvel at the amazing transformation our young adults have undergone. I would like to think it is because we educate, challenge and nurture the whole person here at St John’s. **It is an expectation of the College all students are to attend.**

Details regarding the Retreat were emailed to parents last Tuesday.

ARTSPACE

SJC Theatresports

Last Friday night, we were entertained by a remarkable group of students costumed in a variety of scary and strange outfits. Each of the 8 teams: The Magnificent Armoured Giants, Mortal Kombat, Tabasco Sauce, Tick Tock, Patotoes, Mangolios, Dystopia and T-Swizzel feet Da Bizzel began the night with an impressive and quite hilarious introduction.

The teams played the 1, 2 and 3 minute games with energy and enthusiasm. The judges: John Cathcart as Hannibal Lector, Dave ‘the scary’ Cuskelly and our Hanging Judge, Pat Wilson, were very impressed with the improvisational skills of the players. There was a huge and enthusiastic audience!

The Performing Arts block was transformed into a smoky, creepy place full of bizarre happenings on-stage particularly the Bimbos (Mary Ellen Malone & Lily Donahue), Himbo (Billy-Joe Schimak-Orrell) and MC (Callum Medland). Thanks to Nicole McKinney who stepped in to assist with music, Tegan Marr on sound, Kate Murphy timing, Maddy Hoffman as the scorekeeper and Lewis Cook ran the lights. The Arts committee organised and made all of the unique prizes and eerie decorations.

The winners (pictured below) for the night were: T-Swizzel feet Da Bizzel – Sam Ong, Billy Murray, Anthony Pobar and Xanthia Blundell. Well done to all of the teams! It was a great night!

Please see the attachment to this newsletter to view more wonderful photos!

Missing Jerseys – Please Help

We currently have a dozen missing St John’s jerseys.
These jerseys are used predominately by Rugby teams, both boys & girls. They have also been used by our soccer teams and our AFL teams.

If you have one of these jerseys tucked away at home, please return it to the College as soon as possible.
Replacing these jerseys is at a significant cost to the College.
Thank you
