Dear Parents, Students, Staff, Friends and Carers,

The semi-final season is upon us and we wish our very best to the three netball teams: 8A, Intermediate A and Open age 3rd’s who will compete in semi-finals this coming Monday. What an amazing sense of achievement there must be for all these young netball stars, their coaches and parents. This and the efforts of all fourteen teams, coaches, managers and the brilliant organisational skills of Mrs Anning as competition coordinator are to be widely celebrated.

Whilst on the topic of celebrating, I would like to celebrate the efforts of the rugby players last week. These boys, coaches and parents turned up in the rain and cold of Wednesday night and played their hearts out. I love the passion and dedication that our boys show in the face of strong opposition and testing conditions. The 13’s continued their winning ways and are in top spot and the 15’s and 1st XV had narrow losses and remain in the top four.

One of the qualities that I admire most about the students at St John’s is that of their commitment. There is so much going on at school in relation to classes, assignments, tutorials and study and then to participate in sport, drama, the arts and community service is a big ask for young people. “Johnnies” kids do it well. I might like to add here, and hopefully it’s not too severe a backhander, that some students live off the success of the committed.

There are times when our commitment is not what it should be and there are times when we do things that let the team and community down. We all need to improve our ability to be part of a committed team and a committed authentic Christian Catholic community. We need to be wise with the bags of gold that we are left to look after, as in Matthew’s Gospel 25:21. We need to be able to hear, “…well done good and faithful servant.” It is not good enough to be partially committed to wearing a uniform, partially committed to turning up to play, partially committed to turning up at rehearsal, or partially committed to turning up with a positive attitude. Remember the garden of success with all the “turn-ups”:

No garden is complete without turnips:

Turn up with a positive attitude
Turn up with a smile
Turn up with new ideas
Turn up with real determination
Turn up with success

So, turn up on Sunday for the Netball fundraiser Golf day, May 26th at Noosa Springs Golf. Even if you are not playing, this is a great way of supporting the school and the netball trip to the UK. Don’t forget the $10,000 hole-in-one prize.

Last week I offered a tuckshop voucher for the first student to find me and tell me of three things that were in the newsletter. Thankfully, I was nearly killed in the rush on Monday morning. Over the next few weeks to continue to encourage students and families to read the newsletter you will have to “find Mr Gold”. It was recently brought to my attention by my daughter that Lego has a competition to find the special Lego man, “Mr Gold”, and its catch phrase is, “Where is Mr Gold?” Now I am sure my daughter knows where I am, but do you? I have placed a small “Mr Gold” in the newsletter, attached to a particular story. Students need to find Mr Gold, then find Mr Gold on Monday and let him know where he was. This will be worth a tuckshop voucher to the value of $15. (Yes I know I am getting cheaper.)

Thank you to all the parents and staff who have responded to the survey connected with Dave Cusakelly’s appraisal as Deputy Principal. It closes tonight and the response has been brilliant. This will provide excellent feedback for Dave and the community.
This week you should receive a letter from Archbishop Mark Coleridge asking you to participate in the 2013 Annual Catholic Campaign. The Campaign is so important for the work of the Church, and school community that I ask you to please consider giving generously. The ministries supported by the Campaign provide services that could not be delivered by one parish or school alone. They are ministries that need the support of all schools and parishes in the archdiocese. By sharing a financial gift, you will make a difference to the lives of thousands of people in South East Queensland who are supported through programs that teach, heal, support, nurture and feed. Please give what you can.

One of the areas of great interest is the new Mary Mackillop fund that has been set up for families that cannot afford to send their children to Catholic schools. You can contribute to this fund via the website. The school has also been asked to have a fundraiser in June. However, with the end of term and exams we have felt than the best way forward was to donate our profits from the Athletics Carnival BBQ to the campaign. We would like you to be aware of this as in the past we would send this money to Caritas.

Individually, we had some great results:

- Laura Mitton 1st
- Anastasia Kriz 1st
- Frazer Johnson 1st
- Jakarra Brady 1st
- Jya Epstein 2nd
- Mitch Kelly 2nd
- Pat Webber 3rd

Other notable performances came from:

- 13 Years Brittany Stark (4th) and Alanah Melville (6th) Jaykob Heathcote (7th)
- 14 Years Jami-Lee Bachmann (7th) and Lily-Anne Bridge (9th)
  - Adrian Fleming (4th) and Darcy Byrne (7th)
- 15 Years Hayden McNaughton (6th)
- 16 Years Hannah McNaught (5th)
  - Jayden Fitzsimon (6th)
- 17 Years Laura Wade (9th)
  - Peter McMaster (7th)

We now turn our attention to the Regional Carnival on Tuesday June 4. The top 6 St John’s students, based on the North Zone Carnival, are selected for this team. See below for a list of students in the team.

Training next week is Tuesday 7.00am at St John’s, Thursday 6.30am at Loo with a View and Friday 7.00am at St John’s.

Congratulations to all those who have done well and next year we might be able to ‘stop the rot’.

This time last week our Year 12s had just returned from retreat. The retreat was an amazing experience for both students and staff. It truly is a privilege to be given the opportunity to share the three days with such lovely young people. This year our theme was Challenges and Struggles which we based on ‘The Butterfly Story’. We were very lucky to hear from two past Johnnies students who shared their story. Victoria Orpin, graduate from 2002 shared her experience of working in a remote Aboriginal community west of Alice Springs. It was comforting for students to hear that when we don’t get the jobs we desire at the time, life rewards us with other opportunities, which upon reflection, make the struggles all worthwhile. We were also given the amazing chance, through the organisation of Rachelle Pinese, to here Darcy Higgins’ story of his determination to recover from a motor scooter accident and his burning desire to fight for his dreams. It is wonderful to see past students passionate about giving back to our St John’s Community: our grade 12s are richer because of Victoria and Darcy’s gift.

As with all retreats, our students were challenged in their relationships with themselves and each other. As well as the mental and spiritual challenge, the students were pushed to extend beyond the normal routines of home life and actually spend time differently in order to bring about changes in thoughts and actions.

Every retreat is different for each year 12 group. They come to us at a time where they are stressed about assessment, choices for next year, expectations of parents and themselves and if they will actually make it through the year. The retreat is timely in allowing us to address these concerns, bond them as a group and set them forth on their final path towards graduation.

Your Tutor
With exams approaching I have noticed an upsurge in serious students using the Your Tutor service. With assignments due and exams coming, all students should be availing themselves of this service to check that they have covered all the essentials. To make it easier, Your Tutor have developed an app for the ipad users to give them quick access. It is: http://yourtutor.uservoice.com/knowledgebase/articles/203485-how-do-i-create-a-home-screen-bookmark-for-yourtut

As yet I do not know if this link will work on androids but it will encourage a few more students to get help through their computers.

Jumpers
The sudden cold snap has caught a number of students unprepared with their uniform. All students should have a College pullover and wear it on the outside. If it is really cold then other layers can be worn underneath.

To prepare students for the adult work place, teachers and parents must insist on the correct wearing of uniform. You do not see staff at Woolworths or McDonalds wearing non uniform clothes at work and that training starts here.

Mathematics Challenge Gympie

Two year 8, two year 9/10, and three year 11/12 teams competed in the competition this year. Nine secondary schools with a total of 20 teams in each of the three divisions competed this year. With students faced with some very involved and challenging questions in both the team and relay sections of the competition it was a difficult challenge for all involved.

The senior team of Lachlan Brown, Jayden Fitzsimon, Pat Sutton, Jordan Lever-Zabellan and Sophie Wheeler finished in 3rd place in the senior division.

In the intermediate division 1st place went to the St John’s team of Stephanie McGlusky, Keely Hughes, Kate Doherty, Michael Lynch and Frazer Johnson. Congratulations a terrific effort.

This was a fantastic result for the students and well done to all students who participated in the challenge.

Thanks for the support of parents Wendy Farrelly and David Sutton in providing transport and being adjudicators at the challenge.

Well done to all maths teachers, those who assisted at the challenge and all the wonderful lessons prepared and delivered for our students by you.
