Dear Parents, Students, Staff, Friends and Carers,

The greatest prayer of all time, The Lord’s Prayer, has the two most powerful lines:

*Forgive us our trespasses*

*As we forgive those who trespass against us*

These two lines alert us to some of the most difficult tasks in life to do: to seek forgiveness after acknowledging our faults or wrong-doings; and to unreservedly forgive others who may have wronged us.

This year at St. John’s we have adopted “Healing” as our major Good Samaritan theme. An integral part of the healing process is forgiveness. The Australian Government, via Kevin Rudd, made an apology to our Aboriginal brothers and sisters some years ago and it is sad that it took us all such a long time to admit that we had, by neglect or ignorance, wronged the Aboriginal peoples of this country. Our human nature is such that we rarely like to admit our mistakes, especially when we have to change the way we think or do things as a result.

Once we can admit our errors and apologise we are well on the way to a change of heart and a change in our actions. The next difficult step is to not only be prepared to but to make sure that we are able to forgive those who have “trespassed” against us. True reconciliation is all about apologies and forgiving. There are no “justified resentments” (Wayne Dyer) nor should we look for excuses to hold a grudge, or to blame.

There are many scriptural references to support reconciliation: Matthew 5:44 – “Love your enemies…” Psalms 103:3 Healing; Matthew 6:14, 15 …forgiving others Colossians 3:13; Luke 1:77 and there are a plethora of other examples. Take the time to read some of these and question your own capability to forgive, and then get out there and practice it as much as you can. Forgiveness is essential to love and most often, we need to forgive ourselves and to love ourselves before we can offer this to others.

Last week I spoke of commitment and this week I would like to sing the praises of the committed. I was fortunate enough to be present at the netball semis last Monday and observed the true grit and spirit of “Johnnies” students. Two wins from three was outstanding and well done to all. The intermediate A won well whilst the Open 3rd’s and 8A’s had one and three point games. This is what semi-final play is all about: close encounters that test your skills and your resolve. Not to sound too clichéd, but – we were all winners last week. I didn’t manage to get to the Theatre Sports but again a great quarter final win for our Year 11 team and a great culinary experience was presented to guests by the hospitality students on Thursday.

Next week we play in two netball grand-finals and the last round of the rugby. The Year 12 Theatre Sports team will travel to Nudgee for their Quarter finals and there will be another culinary night on the Tuesday. There is also a P&F meeting on Tuesday Night and some more Drama Production rehearsals. Nothing ever stands still at St. John’s, because if it did, it would get knocked over in the frantic activities.

I have yet to mention the Golf day last Sunday at Noosa Springs Golf. I didn’t win the $10,000 hole-in-one, nor did anyone else, but the support for the day was extraordinary. I would once again sing the praises of Maree Anning and Bec Barrett for their organisation, energy and foresight and a special thanks to all our sponsors and to Mark Brady, Golf Supervisor at Noosa Springs, for his support and organisation.

Thank you to all the parents and staff who have responded to the survey connected with Dave Cuskelly’s appraisal as Deputy Principal. We completed the process today and Dave was appropriately and rightfully affirmed for all his great work. Well done Dave and thank you for your expertise, patience, guidance and servant leadership.

This next week I will absent a little from school. On Monday there is a gathering and discussion with the Executive Director at Unity College and on Thursday and Friday I will be in Melbourne at a Positive Schools Conference. I hope to broaden my knowledge of student mental health and observe first hand, programs that are in use at other schools. It really will be a case of “Where is Mr Gold?” next week.

I would draw your attention to the need to provide help at the Nambour Show. We need more adult helpers to commit to a couple of hours over Friday 14th to Sunday 16th. Please see the information in this newsletter. This is a P&F project that will be worth around $6,000 to the P&F. Students who help also receive free admission to the show.

Assessment Procedures:

As we move into the busiest time of the term for assessment, students are reminded of the following items:

(a) In ANY examination, whether it be in the designated exam block for Seniors or an in class test for all levels, MOBILE PHONES AND OTHER ELECTRONIC DEVICES ARE NOT PERMITTED IN ANY EXAM ROOM. Students need to plan ahead and ensure that these are locked away in their lockers, or not brought to school on these days. Even if the device is turned off, it is still not allowed to be in the student’s possession whilst in an exam room.

(b) All students entering any exam room need to ensure that they do not have any notes, diaries, pencil cases etc which they are not supposed to bring in with them whilst sitting the exam. Students may only bring in items which have been deemed acceptable by the teacher of the class or Learning Coordinator of this subject. As per the requirements for NAPLAN and QCS Testing, we encourage all students to bring the required equipment into all exam rooms in clear plastic containers (for example, plastic sleeve or sandwich bags) to develop this habit.

(c) Senior students should ensure that they have checked the assessment block instructions which have been e-mailed to them and are also available on the College’s website at: http://www.stjohns.qld.edu.au/school-life/Documents/Exam%20Block%20Instructions%20-%20Term%202013.pdf. The timetables for these blocks are also available in the school life section of the website if students have lost their copy or deleted the version that was e-mailed to them.

(d) Senior students need to be reminded of the requirements and expectations under the College’s Assessment Policy. This document can also be found on the website at: http://www.stjohns.qld.edu.au/school-life/Documents/2013%20Assessment%20Policy%20Years%2010%2011%2012.pdf. In particular, students and parents / carers need to be aware of the requirements if a student is absent on the date which assessment is due to be completed.

(e) As part of a whole school approach to consistency in implementing exams to try and establish good habits across all year levels, we have developed a general statement which is read at the commencement of every exam. It is an important step in ensuring our students are well prepared for external exams when they need to sit them, but also in ensuring that all work that is submitted by students can be authenticated as an accurate reflection of their progress at this time.

The assistance of parents and carers in ensuring students are aware of these requirements, and able to adhere to them, would be greatly appreciated.

Year 10 SET Planning:

All Year 10 students have been undertaking individual interviews since returning to school from work experience to assist them to start thinking seriously about their options for the future. This is the first step in preparing their SET Plans which are required for entry into Senior Schooling in Queensland.

On Wednesday, June 19, All Year 10 students will have a session at school which will provide them with more information on this process in general, explore their options, and subject handbooks will be distributed. We will also be getting students to commence the new “SET Plan Online” process which we will be implementing for the first time this year.

This will be followed up by an information night the following evening where parents will be given a brief overview of the requirements for Senior Schooling, and subject Learning Co-Ordinators and teachers will be available for individual discussions about subjects.

Further details will be forthcoming in future newsletters and correspondence with parent and students.

This is an important time for all Year 10 students and we encourage them to engage in this process as thoroughly as possible to ensure future outcomes are relevant to their needs.

**Changes to Assessment Schedules:**

If there are any changes to the published Assessment Schedules, (available on the website at: [http://www.stjohns.qld.edu.au/school-life/Pages/Semester-Assessment-Schedules.aspx](http://www.stjohns.qld.edu.au/school-life/Pages/Semester-Assessment-Schedules.aspx)), staff will be advising both students and parents about the implications of these changes (including through e-mail communication).

Assessment changes advised this week (some of which will also impact on students very early next term) are:

**Year 8 English:**
- Task 3: Poetry Oral Presentation - Monday 3 June
- Task 3: Poetry written paragraph - Friday 7 June
- Diagnostic Grammar Exam - Week commencing June 17
- Task 4: Book Review - Term 3, Week 1, Monday 8 July

**Year 9 English:**
- Task 3: Poetry Written Webpage Assignment - Wednesday, 12 June
- Task 4: Book Trailer - Term 3, Week 1, Wednesday 10 July

**Year 10 English:**
- Task 3: Spoken novel discussion - Monday 3 June
- Task 4: Novel Essay test - 11th or 13th June (English double period)

**Year 12 English:**
- Novel essay exam - Term 3, Week 3, Wednesday 24 July

**Year 11 Drama:**
- Scripts are now due Tuesday, June 4

*Should you have any concerns about these changes, please contact your child’s teacher or the Learning Coordinator of that subject area.*

**Date – claimers.**

- **Thursday, June 20 – Year 10 to Year 11 Transition Information Evening – 7:00pm – 8:30pm.**
  
  This evening will outline the procedures which will be undertaken in regards to the Year 10 SET Planning and Subject Selection processes for Years 11 and 12. Subject Handbooks will be distributed and Learning Co-Ordinators and staff will be on hand to answer questions about their subjects.

- **Wednesday, August 7 - Year 8 2015 Information Evening - 7:00pm in the MPC**
  
  This evening will be an opportunity for parents and students who are currently in Year 6 to come and learn more about St John’s in preparation for their enrolment interviews. As interviews for this cohort will be held towards the end of September this year, this night will allow parents and future students to see all the great things we do here at “Johnnies” and staff will be available to answer any questions.

St John’s has 2 teams in the Grand Final on Monday night. As is the St John’s tradition, all students, parents, staff and past students are encouraged to come and surround the adjoining courts in a sea of St John’s colours.

All students must wear their uniform.

- The SJC 3rds play against Suncoast College on Court 3 at 5.30pm.
- The SJC Intermediate A team play also against Suncoast College on Court 4 at 5.30pm.
INTERMEDIATE A
CONVINCING WIN INTO GRAND FINAL!!!!

What an exciting, solid game of netball the Intermediate A team exhibited during their semi-final.

The consistently accurate shooting of Sarah and Greta continued to put points on the score card, sinking our turn overs from the very strong defence end of Jess, Alana and Olivia. Adding to this fine display of skills were the ever present centre court of Jai, Jamie-Bree, Chelsea and Anna, who linked both ends of the court through brilliant passages of play showing expert passing, catching, intercepting and finding space skills.

This team has come together so well under the guidance and coaching of Mr Michael Epstein who will proudly bring his girls to Caloundra indoor courts for the grand final on Monday night.

Good luck to this team who deserves to be there because of their hard efforts at training and of course during games.

8A NETBALL

After a successful and exhilarating season with only one loss, the 8As finished second guaranteed a position in the semi-finals against Nambour State High School last Monday night.

We went through the usual routine: training on Wednesday afternoon and a key focus on our passing; and a pre-game warm up and pep talk before the match. Some of the girls were nervous, some of the girls were confident, but all of us were excited.

Although we had previously beaten Nambour State High School during the season, the match was closely fought and we knew that we had to play our absolute best. The game began with Nambour’s centre pass following a loss of the coin toss and after a nervous start, where we lost our own centre pass, we were quickly were matching Nambour goal for goal, with Teaghan Le Busque’s sharp shooting. Hannah Reif’s strong defence ensured that we spoiled a few of their goals and the first quarter ended with both teams even. It was still anyone’s game.

The second quarter mounted Nambour’s attack and their superb defence was proving to provide a challenge for our own strong attack. Our attack was led by Ella Bury who continued to fight hard and score goals, while Eliza and Brittany mounted a fast centre court offense. Sophie McNaught and Rosie Doolan continued to defend bravely and managed to spoil a number of plays by Nambour. But Nambour kept fighting hard as well and proved to be up to the challenge. By the third quarter Nambour had gained a slight lead and definite advantage leading into the final ten minutes of play.

However, the fourth quarter displayed the courage and determination of the St John’s team. Zoe Jemmet worked the goal circle beautifully, pairing well with Teaghan Le Busque; Emily Young was committed in her defensive effort; and the girls seemed to be closing the gap. They may have been down in goals but they were never out of the competition. Chasing down every ball, competing for every rebound, defending bravely, shooting accurately and moving the ball skillfully, the girls proved they are a force to be reckoned with.

Unfortunately, Nambour didn’t give up either and in the end our girls went down by three goals. The loss meant that our season had come to an end.

Nevertheless, I have never been more proud than I was last Monday night and I believe that the future of St John’s netball is in great hands with these young women who displayed true courage, strength and skill. My thanks and congratulations to an extraordinary team for a very successful season!

The team: Brittany Stark, Ella Bury, Eliza Fallis, Emily Young, Hannah Reif, Rosie Doolan, Sophie McNaught, Teaghan Le Busque and Zoe Jemmett.

Amy Ring
Senior 3rds
After a slow start to the 2013 season, the Senior 3rds improved each week and finished strongly in third position on the ladder.

The last two games of the rounds were against teams placed higher on the ladder, but their determination and teamwork saw them win both games and move into the top four. Last Monday night’s semi-final against second placed St Andrew’s was a thrilling match, with the girls behind for the first three quarters, before going on a goal scoring spree in the early part of final quarter. St Andrew’s fought back and were closing in, but when the final hooter sounded, the SJC team celebrated their one point victory.

The 3rds are a mixture of experienced netballers and some team members who are relatively new to the game. It has been rewarding to witness their improving skills each week and I am particularly proud of the support that they have shown each other during games. They have been very reliable, shown great enthusiasm but most importantly have thoroughly enjoyed the netball season.

Next Monday’s final will be very challenging as we were soundly beaten by the opposition in the rounds, but with such great team spirit, they may provide an upset!

Regardless of the result, I am very proud of the girls – it has been a pleasure and a privilege to work with them throughout the season.

PRESIDENT 2013
We are in the process of preparing the program for the SJC 2013 production, *Love Gone Wilde* and need advertising for the program which assists greatly in the printing costs. With all our productions, we usually have the program professionally printed with some colour throughout and even though the cast for the 2013 is much smaller than usual, we still have similar costs to a much larger production.

So, if you have a business or know of one that would be interested in assisting with the production, please fill out the following form and return to the school as soon as possible.

The program is a full sized A4 one, similar to most theatre programs.

Costs for advertising are as follows:

- Full page: $200
- 1/2 page: $150
- 1/4 page: $ 80

If you are able to assist, please fill in the following form and return it to the school.

**ADVERTISING DETAILS FOR THE SJC 2013 PRODUCTION** *Love Gone Wilde*

Money and details must be given to the school office by Friday 21st June 2013

Advertising details and/or logo in PDF format to be emailed to snambour@bne.catholic.edu.au

**Art Camp**

This year saw thirty three very excited art students descended on Elanda Point located outside of Noosa for the senior art camp.

The afternoon kicked off with the year 12’s “Escaping” from themselves into a character. The students dressed up in a variety of costumes. We saw a circus performer, Alice in Wonderland, and a police officer to name a few.

The theme for the camp was Metamorphism. The students were asked to shed their old skins and habits in relation to their art and create a new better skin to move on into the future, to be open to all the new experiences encountered over the course of the camp.

Tie dying of fabric was the first practical task undertaken, the fabric, a symbolic representation of the snake skin. K.K.M then took the students for a workshop on puppet making which saw the year 11’s and 12’s working together. The outcome was a creative assortment of puppet characters and a load of laughs as the students performed in groups bringing their puppets to life.

Day two saw year 11 students participate in the creation of Pilgrim sticks and Icons. Year 12 completed two workshops in the area of Passports creation and a Shrine.

The closing ceremony bought all the students together again, to the shrine made by the year 12s.

The weather and the student’s behaviour were impeccable. A lot of laughs were had and friendships formed, but above all, some excellent skills were imparted and wonderful work was created. Overall we enjoyed a very fun and successful camp.

Have a look for yourself on the next page.

St John’s College Golf Day

Last Sunday, we held the inaugural St John’s Golf Day at Noosa Springs Golf & Spa Resort. The day served as a fundraiser for the London Netball Tour in September which will see three teams head to the UK. The day was a huge success with 129 players taking to the course supported by 22 sponsors, 28 students, 5 staff and a number of valuable parents to ensure the day went well.

The spirit in which the players took to the course was evident throughout the various activities including drawing a club out of the hat, betting on their tees and keeping hold of a special pink St John’s ball. There was much laughter and banter on the course which was encouraged by all the students and volunteers spread along the course. The many helpers included Craig Heppell (Agent in a Box) who assisted with the BBQ and ran our auction, Michelle Murphy (Loan Market), Bev Charnley, Bev Forbes, Jodie Bellingham, Martin Pringle, Shaun Bachman, Lyn Nicholson, Reece Thorn, Jan Heystraten and Yudy Lusk.

Thank you to the school office ladies for their assistance prior to the day as well as Peter Thomas for his ideas, contacts and support.

A very special thank you must go to Mark Brady and his team at Noosa Springs for making the day run smoothly and providing such a top class course for the competition. I highly recommend a trip to the day spa, a meal at the restaurant or maybe even a night away at the beautiful resort.

Thank you to all the sponsors and businesses who donated prizes, as without this support, the day would not have been possible.

Congratulations finally must go to team Briggs for winning the day overall, a great team performance.

Year 10 Students Career Planning Interviews

Year 10 is an important grade as it provides opportunities for students to start thinking about their future and careers. Due to the importance of this Year level, Natalie Clapoudis (Guidance Officer) and Bernadette Natoli (VET Coordinator/Careers Counsellor) have been conducting individual 15 minute interviews with all Year 10 students. These commenced on Monday 20th May and will conclude on Friday 7th June 2013 (Term 2, weeks 6 – 8).

The primary purpose of these interviews is to gain an understanding of each student's career direction and interests, as well as their short and long-term goals which will help in the development of their SET plan. We believe these interviews will be an important step as it will prompt the students to think about their future and will provide an opportunity for us to explore options with them. This will hopefully lead to future-oriented and directed Year 10 students who understand the connection between subject choices and careers.

Students are REQUIRED TO COMPLETE the following in the Work Experience Information Book and bring their completed book to their Career Planning Interview:

- Complete Work Experience Student Survey
- Complete My Career Advisor Pathways Plan

Students can request a further interview with either Natalie or Bernadette if need be. Students will be given a copy of the Year 10 Career Planning Interview Checklist with a letter and encouraged to discuss this with their parents. Parents/carers may like to bring this up with your child.

Year 10 Students Attending Experience USC Day

There has been a wonderful response from students interested in attending the Experience USC Day on Wednesday 5th June 2013. A total of 58 students have registered to participate in two workshops each. Students received a letter and permission form this week. This needs to be returned by Monday 3rd June. Students are required to wear their Formal Uniform unless they have registered for a Sport & Exercise Science workshop where they are required to wear their Sport Uniform.

Job Vacancies

Bunnings Maroochydore is having a Recruitment drive. If you are interested in applying for some part time work, you need to apply online through their website. Go to the job section and upload your resume. This will generate a job vacancy. You may also need to complete a short test. If you have any trouble doing this and really want to apply for a job at Bunnings, see Bernadette ASAP on Monday.

An employer in Caloundra looking for a full time apprentice in IC3 Engineering - Fabrication Trade 3. Email Stephen at stephen@precisionwelding.com.au if interested in this position.

UMAT

Year 12 students please note that UMAT registrations close 7th June 2013. If you are considering applying for 2014 entry to Medicine at UQ, you MUST also take the Undergraduate Medicine and Health Sciences Admissions Test (UMAT). Apply online www.umat.acer.edu.au now.

BAKETBALL COACHES/MANAGERS REQUIRED

The interschool Friday night basketball season commences early in Term 3.

At this stage, there has been a strong response by students to be involved.

With current students numbers, it appears possible that nine teams can be entered. However, this has created a problem as it is not possible to staff these teams from teacher interest.

If there are any parents who feel they could assist by taking on a coaches role or managing a team, could you please express your interest by sending an email to Mr Nankervis at:
inankervis@bne.catholic.edu.au

Thank you.

3000 METRE SCHOOL ATHLETIC EVENT

Next Thursday 6th June we will be running the 3000m event at the university track at 7.00am.

A bus will leave St John’s at 6.15am and return to the school by 8.00am. It is open for any student to participate but no walking will be allowed. It would be expected that most cross country team members would be in attendance and the event is for house points.
