MUSIC @ JOHNNIES

Students have the opportunity to take vocal or instrumental music lessons on a weekly basis. We aim to provide our students with a variety of performance experiences, including

- Music recital for family and friends each term
- Music on the Piazza- Lunchtime Open Mic
- Annual Performance Evening
- Music Festival performances for Ensembles

Students can prepare for music exams (AMEB, Trinity) if they choose to move through these levels.

A theory class is offered for all music students to attend one lunchtime weekly, extending their skills for both classroom music and instrumental music studies. Students can complete online exams through AMEB as part of this class.
