Principal's Foreword

Introduction

The St. John's College School Report 2015 gives a snapshot of the goals, achievements and general school operations. The report covers many areas of the school's functioning and its directions for the future.

St. John's has been operating as a secondary school for 75 years and has a long history of outstanding and extraordinary achievements during this time. As a Catholic school, St. John's College prides itself on inclusive and holistic education, which promotes the integration of faith, life and culture. We were delighted and excited to welcome Year 7 students to the secondary school this year.

The 2015 report, although impressive in itself, should always be viewed in an historical context, and in the light of this, we are proud to present a report that indicates continued growth and development, and significant achievements that represent many years of quality educational practices as a Brisbane Catholic Education Office school.

School Profile

St John's College is a Catholic school administered through Catholic Education, Archdiocese of Brisbane.

Coeducational or Single Sex

Year levels offered: Primary Secondary P-12

Total Student Enrolments 754 Girls 392 Boys 362

Characteristics of the student body

Enrolment catchment areas according to demographic studies and the analysis of current year 7 enrolments show core catchment areas stretching over the Northern part of the Sunshine Coast Region. 60% to 70 % of enrolments come from Catholic Primary schools in the area or other Catholic Schools in Qld and Interstate. 30- 40 % of enrolments are from State Primary Schools. 17% of enrolled students live in the Nambour area with another 25% of students living in Bli Bli, Palmwoods, Buderim and Mudjimba. The school is currently Master Planned as a Four stream Year 7 (2015) to Year 12 College however application to grow to Five Streams was submitted late in 2015 and will be decided upon in 2016. Since 2008, there has been a steady increase in enrolments to current figures of 760 students in 2015 - an 8.3% growth with the advent of Year 7 to Secondary.

The trends show a consistent Catholic population of around 65-70% with an increase in enrolments of "Other Christian". St. John's recent history would indicate that Indigenous enrolments are 1.4% of the cohort. Enrolments of students with disabilities account for 5.3% of the student population and the college is well known through the Sunshine Coast for its care and support of all children with disabilities.

Our distinctive curriculum offerings

St. John's College curriculum offerings are in keeping with a contemporary secondary school:

The Year 7/8/9 (Middle School) offerings enable students to experience all subjects on offer in the middle school, with students gifted in music and language encouraged to study these subjects continuously during these early years. A transition program for Year 7 is in place in the first two weeks. A significant feature of the middle school curriculum is the Multi-media studies where students are engaged in web design, game design and animation.

Health and Physical education is compulsory in years 7 - 10 with an Outdoor Education elective in Year 10. Literacy and Numeracy skills are incorporated across all subject offerings, not confined to English and Maths respectively.

Graphics is a very popular subject in year 8 - 12 especially with the extensive use of contemporary CAD programs. Year 10 is being developed as a transition year for Senior school and as such we offer courses and have developed assessment that will help with this transition. Students in year 10 are introduced to Math B, Physics, Biology and Chemistry, Study of Religion, Outdoor Education and Certificate Courses. Year 11 and 12 subject offerings are many and varied, and as a medium sized school we pride ourselves in an extensive offering of subjects in both OP and Non OP pathways. Senior students are involved in Certificate Courses, work placement, Traineeships and TAFE courses as well as University Head-start courses.

Extra curricula activities

St. John's offers a variety of opportunities for students to participate beyond the classroom: Orchestra- Debating- Drama-- Musical- Public Speaking Performance Art; Instrumental Music-Instrumental Ensembles- Big Band- Other Musical Ensembles Roar Arts - Theatre sports - Mural Projects and an International, student run Film Festival. Students also have opportunities to perform in concerts, competitions and various College and Public Functions.

Sporting: A wide variety of sports are offered depending on student interest and needs. Inter-school Competitions exist for: Rugby Union-Netball- Basketball- Water-polo- Australian Rules- Soccer. Students may also compete in Knock-out Competitions for Cricket - Futsal - Australian Rules - Netball. The College conducts Annual Swimming, X country & Athletics carnivals from which school teams are selected to compete at zone & independent schools' carnivals.

Committees provide opportunities for students to become involved in Liturgy, Magazine, the Environment, Social Action, the Arts and Peer Support and St. Vincent de Paul groups.

How Information and Communication Technologies are used to assist learning

All staff have been provided with personal lap-tops or tablets to implement new learning strategies and aid their own professional learning, preparation and teaching. All students are issued with laptop computers. There is a provision of two modern desktop computer labs enable high end use with Multimedia and CAD programs. Smart and interactive boards has been set-up in a number of classrooms, especially in Math's rooms. All classrooms are equipped with a data projector with simplified connections for data, digital display purposes, some with WIDI connection. A Wireless network is established across the school campus. Students have access to Maths Online program and On-Line tutoring 6 days a week as well as student work-spaces, cloud based collaboration and storage. Staff use a range of Web 2.0 Tools in their learning activities and access various Portals of learning. Parents have access to a Parent Portal and the College Newsletter is delivered digitally as are most communications between school and home. Several subjects such as Graphics, Multi-media and ICT are all major ICLT based. We are developing our Multimedia and IT subject curriculum to reflect the demand.

Social climate inclusive of pastoral care and our response to bullying

The social climate of the school is characterised by a warm, welcoming and friendly community in the tradition of Good Samaritan schools. We endeavour to live by the twelve values of the Good Samaritans: Listen, Balance, Compassion, Community, Healing, Prayer, Humility, Hospitality, Stewardship, Partnerships, the Word of God and Peace. Inclusivity is an integral part of our pastoral approach. The college is proud of its "Buddy" system where Year 11 & 12 students take on the care of one or more Year 7 or 8 students respectively. The Welcome BBQ in week 3 of the year is a highlight of this system where all buddies engage in activities after school and parents join students for a BBQ and introductions. The connections made are strong and lasting. The college has strengthened this "Buddy" system with a pastoral grouping of Year 7/9/11 students and Year 8/10/12 students. Much of this good work enables students and teachers to counter and reduce incidents of bullying and strengthen respectful relationships.

Parent, student and teacher satisfaction with the school

Indications from Parent surveys, Parents and Friends Association and the College Board meetings, suggest that there is a high degree of satisfaction with the College. Parent participation is always a good indicator of satisfaction with the school and St. John's has a culture of participation and support that seems to strengthen every year. Indicative of this support are impressive crowds for Trivia Night fund-raisers, the Year 11/12 Hospitality nights, Year 10 Dance, Year 12 Graduation, attendance at sporting and cultural events, Relay for Life, Welcome BBQ and "Back to School" day and the operation of the Nambour Show gates. Parents at St. John's often write meaningful thank you letters, e-mails and cards to staff of the College and are generous in their support and provision of morning tea for teachers at times during the year. The support of the Parents & Friends is generous and exemplified by the provision of a boardwalk to our ovals, contributions to the oval upgrade and new bus and shade covers. Parents are also generous with their time in contributing and participating in School Cyclical Reviews, Leadership Team appraisals and being panel members for staff employment interviews.

Parent involvement in their child's education

Parents at St. John's are encouraged to be participants in their child's education through participation in Parents and Friends meetings and Board Membership, attendance at and organisation of Welcome BBQs, Community Eucharistic Celebrations, Parent / Teacher / Student Interviews, Tuck-shop duty, Social Gatherings, Parent Support Group and Sporting & Cultural activities, and the "Back to School" mornings. Parents are kept up to date and informed through the College Newsletter, emailed to Parents each week. Contact with Parents is made by e-mail, Twitter, Facebook, phone and formal and informal meetings and Information Nights.

Parents are also encouraged to contribute to the Cyclical Review process and contribute opinions on a number of issues. Parents are encouraged to contact the school at any time and are welcome to attend assemblies and other gatherings.

Staff Profile

Workforce Composition	Teaching Staff	Non-teaching Staff
Headcounts	62	37

Year 4 Attendance Rate	%	Year 11 Attendance Rate	91.00 %
Year 5 Attendance Rate	%	Year 12 Attendance Rate	92.00 %
Year 6 Attendance Rate	%		

Policy and practice to manage student attendance

St. John's College has a sophisticated attendance marking process that involves a computerised system. Parents can be notified by SMS message, phone call and or email if their child is absent for all or part of the day. Absence from school must be accompanied by phone notification and a letter from parents/carers on the child's return to school.

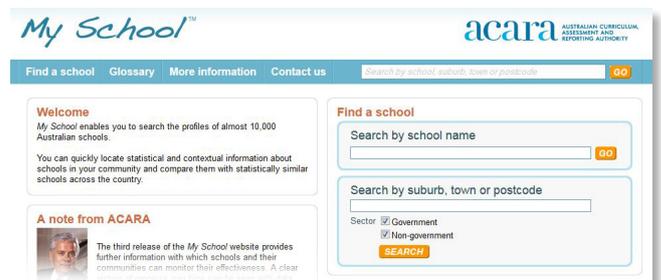

Staff of the college who have a pastoral teaching role will contact parents after three days of absence and absences are recorded on all reports, including any absences from major events such as a sports carnival. Attendance is compulsory at all Retreats, sporting carnivals, camps, excursions and other events as deemed necessary by the school. Attendance rates on these days are exceptionally good. Facebook and Twitter sites are also used to inform parents of upcoming events that require attendance. Students on TAFE and /or work placement arrangements are monitored for consistent attendance.

Updated lists of these students are constantly circulated to pastoral care teachers. Special consideration for monitoring ATSI students is also in place and we work with the BCE Indigenous participation officers in this regard.

Student Achievement – NAPLAN for Years 3, 5, 7 and 9

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading writing, spelling, grammar and punctuation, and numeracy results for the relevant years.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the relevant years are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following

'Find a school' text box.

Type in the name of the school whose NAPLAN results you wish to view, and select '<GO>'. Read and follow the instructions on the next screen; you will be asked to accept the Terms of Use and Privacy Policy before being able to access our NAPLAN data.

Attainment and Achievement – Year 12

Apparent retention rates Year 10 to Year 12

Year 12 student enrolment as a percentage of the Year 10 (2013) student cohort.	90.0 %
